WHY CHOOSE PERFORMERS COLLEGE?

Performers College is one of the UK's leading performing arts establishments, with a team of professional tutors that are second to none. Students graduating from the full time National Diploma for Professional Dance (Musical Theatre) course usually go straight into West End or touring theatres or into the television industry.

We are justifiably proud of our record and now we have our new performing arts complex, we believe we are at the forefront of our craft.

On completing the Pre-vocational Course we would hope that successful students apply for a full time course either at Performers College or elsewhere. We will assist you in achieving your aims.

Please note:

We will not guarantee acceptance into any dance course or offers of an award to any Pre-vocational course student.

Why A Pre-vocational Course?

There can be many reasons to choose a Pre-vocational course. It may be that you have the talent but limited dance experience. It may be that you can identify shortfalls in your training. You may never have had singing or acting classes before. You may have applied for a Diploma or Degree course and have been unsuccessful in obtaining an award.

Whatever the reason we may be able to help you improve your chances of a career as a professional performer.

What Does The Course Cover?

The one year course will include regular Ballet, Tap and Jazz Technique classes as well as Contemporary, Freestyle Jazz workshops, Singing, Acting and Musical Theatre workshops. Additional classes will cover Health & Safety issues.

You will also be advised on auditioning for a full time course.

Students are continually assessed and receive a verbal report at the end of each term and a full report at the end of the year.

You will also have the opportunity to perform in your own end of course in house production.

What Happens After The Course?

We would expect the Pre-vocational Course graduates to apply for a full time course either at Performers College or at one of the other colleges in the country. You will receive information and advice on this as part of the course.

How Do I Apply?

You need to complete and return an application form. Acceptance is subject to satisfactory dance history and an audition will be required.

There will also be a reserve list.
